

October 1, 2004

Dear Parents:

At The Caring Center we've earned a reputation above average quality childcare and early education programs. We also care about the communities where we work and live. This year we get the chance to demonstrate that community spirit and leadership by launching and taking part in the **United Way Campaign**.

The staff has pledged to make contributions. (Each year we have 100% participation), and we invite you to consider making a pledge. If you've never taken part in the United Way Campaign, now is the perfect time to make that commitment.

Please check with your employer to find out if you can make a pledge through your company, or complete a pledge card here at the Center. Our company's Kick Off is on October 14th through November 26th.

The Caring Center's Donor Number is **2622**. Your gift will help to continue to fund activities at the Center, and the more than 125 United Way member organizations located throughout the Delaware Valley.

Each pledge will be eligible for a drawing to be held on Monday December 6.

Please join me in supporting this effort by contributing as generously as you are able.

Because of you, our center and communities will remain stronger for the future.

Thank you

Sherilynn J. Kimble
Executive Director
